

For permits beginning May 1, 2026

Dear Potential Hangar 5 Tenant,

Thank you for considering Chicago Executive Airport's (KPWK) community Hangar 5 for your aircraft. CEA manages Hangar 5's buildings and grounds. Please note the following:

Aircraft Monthly Hangar Fees:

- Hangar storage is \$0.94 per square foot of fixed-wing aircraft (Length x wingspan) per month.
- Monthly service charge = \$205 for pull-in/pull-out during normal business hours (below).
- Fees are subject to change at the beginning of the airport's fiscal year, May 1.
- As a government entity, Chicago Executive Airport cannot offer discounts.
- All permits are month-to-month.

Offices: North Wall offices are \$2.13 per square foot per month. Please call for others.

Pull-in/Pull-out Services:

1. Fly Waterloo provides pull-in/pull-out normal business-hours services:
 - Monday - Saturday 0600 - 1900
 - Sunday Hours 0700-1700
 - After Hours, Towing and Ground Power Starts are available at additional costs.
2. Owners/pilots are not allowed to move or fuel their aircraft in the hangar, ramp, or grounds.

Fuel:

1. Atlantic Aviation is the exclusive fuel vendor, ordered and billed through FlyWaterloo.
2. Prices are the current Atlantic Aviation Retail Fuel Rate.
3. There is no other authorized provider of fuel or aircraft movement services at Hangar 5/6.

Next Steps:

1. Execute a permit with CEA, including submission of proof-of-insurance
Chicago Executive Airport - PWK
1020 South Plant Road
Wheeling, Illinois 60090 847-537-2580
